

The Mechanical Contractors Association of Manitoba held a successful golf tournament on August 8th at Breezy Bend Golf & Country Club. The 168 golfers received welcome gifts, including Goodr sunglasses and MCAM-branded golf towels, and began the day with mimosas and Krispy Kreme donuts.

The event featured various activities designed by different sponsors at each hole, adding to the fun and competitiveness. From games and contests to hole-in-one challenges, participants had many opportunities to showcase their skills and win prizes.

Food and beverages were provided throughout the day, with offerings from Boston Pizza, Champs, Tot Wheels, and Donut Forget Your Coffee.

Thanks to the generosity of attendees, \$2,775 was raised for Sam's Foundation, and \$4,335 was donated to Siloam Mission. This demonstrated the association's commitment to supporting important causes.

After the tournament, a reception was held in the clubhouse, where golfers enjoyed a buffet and socialized. Prizes were awarded to contest winners and teams with the lowest gross score and the most honest. Sponsors also provided prizes such as TVs, Yeti coolers, and a Traeger Grill, making for a memorable day of sport, entertainment, and networking.
